TRAVEL INSURANCE

It is a condition of booking with Rugby Travel Ireland that you and any fellow travellers **MUST** have travel insurance in place. Your travel insurance should cover the cost of cancellation, medical expenses, loss of luggage or money, personal liability claims, participation in activities and costs of assistance (including repatriation) in the event of accident, injury, illness or death. You should check any exclusions and, in particular, that your policy covers you for the activities you want to undertake. We strongly recommend that you are covered from the time of booking as this may assist you in recovering monies paid in the unfortunate event of you having to cancel your trip.

We recommend the services of our preferred travel insurance partner, **Blue Insurance**, and you can get a quotation directly from them as below:

Important Notice for ROI Residents: Blue Insurance travel insurance policy covers cancellation as a result of a positive diagnosis of Covid-19 and also cover medical expenses abroad as a result of Covid-19, provided that you are not travelling against DFA advice. All other claims relating to Covid-19 or Government Restrictions on travel are excluded.

Important Notice for UK Residents:
Blue Insurance policy will not cover any claims caused by or relating to Coronavirus disease (COVID-19) apart from; Section A - Where You, Your Travelling Companion or Close Business Associate are diagnosed with Coronavirus Disease (COVID-19) and meet the conditions outlined in Section A or Section B - Emergency Medical and other Expenses, provided that you are not travelling against FCDO advice.
