Sometimes called the Kyoto of Eastern Japan, Kamakura offers numerous temples, shrines and other historical monuments.

Famous for hot springs, natural beauty and the view across Lake Ashinoko of nearby Mount Fuji, Hakone is one of the most popular destinations among Japanese people looking for a break from Tokyo. Owakudani is the "Great Boiling Valley". It is a volcanic valley with active sulphur vents and hot springs with Mount Fuji clearly visible in the background. Try the Kuro-tamago "black egg" a local specialty of eggs hard-boiled in the hot springs. The boiled eggs turn black and smell slightly sulphuric; consuming the eggs is said to add seven years to your life. You may eat up to two and a half for up to seventeen and a half years, but eating a whole third is said to be highly inadvisable! Super views of Mount Fuji at Owakudani.

Himeji is most famous for its magnificent castle, Himeji Castle, widely considered to be Japan's most beautiful surviving feudal castle. The castle is designated both a national treasure and a UNESCO world heritage site. With half a million inhabitants, Himeji is the second largest city of Hyogo Prefecture after Kobe. It can be reached in less than one hour from Osaka or Kyoto and is also a popular stopover on journeys along the Sanyo Shinkansen.

Himeji Castle

Okayama Korakuen Garden

DAY 19 (CONT.)

Matsue is on the north coast and is surrounded by the Lake Shinji-ko and Nakaumi Lagoon. The Ohashi-gawa River runs through the center of the city, and a network of canals and rivers makes Matsue a city of water. The water network was created for military reasons when the Matsue Castle was constructed in 1611. Today, pleasure boats cruise through the waterway. On the Shiomi-nawate Street along the northern moat of the Matsue Castle, a samurai's residence built in the early 18th century is preserved. Its white walls, black wooden fences and a row of old pine trees are the reminiscence of the olden times.

16:00 Check into the [Ichibata Hotel](#) (or similar) and check in for one night

DAY 20

Tuesday 8 October 2019: HIROSHIMA

Included today are visits to the following attractions:

- Hiroshima Peace Memorial Park
- Hiroshima Peace Memorial Museum

10:00 Check out of hotel

10:30 Meet with our English speaking guide and transfer to the Hiroshima Peace Memorial Park and Hiroshima Peace Memorial Museum. A very moving experience

Hiroshima is the principal city of the Chugoku Region and home to over a million inhabitants. When the first atomic bomb was dropped over Hiroshima on August 6, 1945, the city became known worldwide for this unenviable distinction. The destructive power of the bomb was tremendous and obliterated nearly everything within a two kilometre radius. After the war, great efforts were taken to rebuild the city. Predictions that the city would be uninhabitable proved false. Destroyed monuments of Hiroshima's historical heritage, like Hiroshima Castle and Shukkeien Garden, were reconstructed. In the centre of the city a large park was built and given a name that would reflect the aspirations of the re-born city: Peace Memorial Park.

DAY 21 (CONT.)

10:00 Ferry to Miyajima island (10 mins)

Miyajima is a small island less than an hour outside the city of Hiroshima. It is most famous for its giant torii gate, which at high tide seems to float on the water. The sight is ranked as one of Japan's three best views. While officially named Itsukushima, the island is more commonly referred to as Miyajima, Japanese for "shrine island". This is because the island is so closely related to its key shrine, Itsukushima Shrine, in the public's mind. Like the torii gate, the shrine's main buildings are built over water. There are wild deer on the island that have become accustomed to people. Everything is within walking distance on the island.

The Shrine is dedicated to the spirit of Sugawara Michizane, a scholar and politician of the Heian Period. This Shrine was built on the site of his grave.

The area surrounding the shrine is lined with numerous shops and restaurants so we have arranged a couple of hours here at your leisure

15:30 Coach departs and transfers you to your Fukuoka hotel

16:00 Check in to the [4* ANA Crowne Plaza](#) (or similar) for three nights

Fukuoka (pronounced foo-co-ka) is Kyushu's largest and one of Japan's ten most populated cities. Because of its closeness to the Asian mainland (closer to Seoul than to Tokyo), Fukuoka has been an important harbour city for many centuries and was chosen by the Mongol invasion forces as their landing point in the 13th century. Today's Fukuoka is the product of the fusion of two cities in the year 1889, when the port city of Hakata and the former castle town of Fukuoka were united into one city called Fukuoka. Hakata remains the name of one of Fukuoka's central districts and of the main railway station.

PAYMENT STRUCTURE

Within 48 hours of receipt of invoice: 25% of total price

Payable by the 31st January 2019: 50% of total price

Payable by the 31st March 2019: 75% of total price

Payable by the 31st May 2019: 100% of total price

Looking for a different payment structure? Just ask! Please note that there no handling fees on card payments but we are unable to accept American Express cards.

BESPOKE PACKAGES

We are extremely flexible so if you are looking to extend your stay in Japan or take in other countries then let us know. We would be delighted to quote for any additional requests that you may have.

INSURANCE

It is vital that you have travel insurance and we strongly recommend that you are covered from the time of booking as this may assist you in recovering monies paid in the unfortunate event of you having to cancel your trip. We offer travel insurance cover (for residents of the Republic of Ireland only) but if you have your own travel insurance policy it is your responsibility to check that the insurance scheme provides you with your desired level of cover.

HOTEL BEDS

It is important to note that most hotels in Japan have far more twin rooms (two regular sized beds) rather than double rooms (one large sized bed). This is because most Japanese couples sleep in separate beds. Therefore all bookings are made on a twin room basis. Double rooms can be requested but are not guaranteed.

HOTELS

Prices are based on twin/double rooms with two people sharing. Triple room occupancy is limited in Japan so we can only quote upon request. Single occupancy incurs a single room supplement as outlined in our costs. This is because we are charged on a per room basis and cost the package based on two people sharing that cost. Hotels detailed may become full due to the demand on a particular tour. Should we change your hotel we will advise you at the earliest opportunity but we will always offer a hotel of the same standard or higher and any extra cost will be absorbed by us. All accommodation is on a bed and breakfast basis. Please note smoking rooms are standard in Japan and may form part of the final room allocation.

TIME DIFFERENCE

During September, October and November 2019 Japan is +8 hours ahead of GMT.

ADDITIONAL INFORMATION

CLIMATE

Japan is in the Northern Hemisphere so their Autumn is also from September to November. It is characterised by light breezes and day time temperatures of around 15-20 degrees Celsius. All forests are dyed in glorious autumn colours. Chrysanthemums create beautiful displays with their abundance of flowers to enchant visitors to parks and gardens.

RECOMMENDED CLOTHING

Light jacket, rain jacket, light sweaters and other similar kinds of tops.

FLYING TIMES

The total flying time from Dublin to Tokyo is 18 hours approx.

LOCAL CURRENCY

Japan's unit of currency is the Yen (¥ / JPY).

HEALTH

Medical facilities are very good, but the cost of treatment is high. Hospitals and clinics are well equipped and staff highly trained. There are very few English speaking doctors practising in Japan, but some Japanese doctors may speak English. You will be expected to pay the whole cost of any treatment you receive and there have been cases where treatment has been delayed whilst medical facilities check the legitimacy of the insurance. Make sure you have adequate travel health insurance that covers pre-existing conditions and accessible funds to cover the cost of any medical treatment abroad and repatriation. You should contact your insurance/medical assistance company promptly if you are referred to a medical facility for treatment.

VACCINATIONS

The risks to health whilst travelling will vary between individuals and many issues need to be taken into account, e.g. activities abroad, length of stay and general health of the traveller. It is recommended that you consult with your General Practitioner or Practice Nurse 6-8 weeks in advance of travel.

SECURITY

Crime is very rare in Japan but visitors are advised to take the same care with your personal safety and your possessions as you would do at home. Take copies of your important documents (like your passport and credit cards) and keep them separate from the originals. You should also keep a record of the description and serial number of valuable items (like cameras, tablets and smart phones).

FLIGHTS

International flights included in the tour package are operated by Emirates but we always reserve the right to change carrier for operational reasons.
