Famous for hot springs, natural beauty and the view across Lake Ashinoko of nearby Mount Fuji, Hakone is one of the most popular destinations among Japanese people looking for a break from Tokyo. Owakudani is the "Great Boiling Valley". It is a volcanic valley with active sulphur vents and hot springs with Mount Fuji clearly visible in the background. Try the Kuro-tamago "black egg" a local specialty of eggs hard-boiled in the hot springs. The boiled eggs turn black and smell slightly sulphuric; consuming the eggs is said to add seven years to your life. You may eat up to two and a half for up to seventeen and a half years, but eating a whole third is said to be highly inadvisable! Super views of Mount Fuji at Owakudani.

PAYMENT STRUCTURE

Within 48 hours of receipt of invoice: 25% of total price

Payable by the 31st January 2019: 50% of total price

Payable by the 31st March 2019: 75% of total price

Payable by the 31st May 2019: 100% of total price

Looking for a different payment structure? Just ask! Please note that there are no handling fees on card payments but we are unable to accept American Express cards.

BESPOKE PACKAGES

We are extremely flexible so if you are looking to extend your stay in Japan or take in other countries then let us know. We would be delighted to quote for any additional requests that you may have.

INSURANCE

It is vital that you have travel insurance and we strongly recommend that you are covered from the time of booking as this may assist you in recovering monies paid in the unfortunate event of you having to cancel your trip. We offer travel insurance cover (for residents of the Republic of Ireland only) but if you have your own travel insurance policy it is your responsibility to check that the insurance scheme provides you with your desired level of cover.

HOTEL BEDS

It is important to note that most hotels in Japan have far more twin rooms (two regular sized beds) rather than double rooms (one large sized bed). This is because most Japanese couples sleep in separate beds. Therefore all bookings are made on a twin room basis. Double rooms can be requested but are not guaranteed.

HOTELS

Prices are based on twin/double rooms with two people sharing. Triple room occupancy is limited in Japan so we can only quote upon request. Single occupancy incurs a single room supplement as outlined in our costs. This is because we are charged on a per room basis and cost the package based on two people sharing that cost. Hotels detailed may become full due to the demand on a particular tour. Should we change your hotel we will advise you at the earliest opportunity but we will always offer a hotel of the same standard or higher and any extra cost will be absorbed by us. All accommodation is on a bed and breakfast basis. Please note smoking rooms are standard in Japan and may form part of the final room allocation.

TIME DIFFERENCE

During September, October and November 2019 Japan is +8 hours ahead of GMT.

ADDITIONAL INFORMATION

CLIMATE

Japan is in the Northern Hemisphere so their Autumn is also from September to November. It is characterised by light breezes and day time temperatures of around 15-20 degrees Celsius. All forests are dyed in glorious autumn colours. Chrysanthemums create beautiful displays with their abundance of flowers to enchant visitors to parks and gardens.

RECOMMENDED CLOTHING

Light jacket, rain jacket, light sweaters and other similar kinds of tops.

FLYING TIMES

The total flying time from Dublin to Tokyo is 18 hours approx.

LOCAL CURRENCY

Japan's unit of currency is the Yen (¥ / JPY).

HEALTH

Medical facilities are very good, but the cost of treatment is high. Hospitals and clinics are well equipped and staff highly trained. There are very few English speaking doctors practising in Japan, but some Japanese doctors may speak English. You will be expected to pay the whole cost of any treatment you receive and there have been cases where treatment has been delayed whilst medical facilities check the legitimacy of the insurance. Make sure you have adequate travel health insurance that covers pre-existing conditions and accessible funds to cover the cost of any medical treatment abroad and repatriation. You should contact your insurance/medical assistance company promptly if you are referred to a medical facility for treatment.

VACCINATIONS

The risks to health whilst travelling will vary between individuals and many issues need to be taken into account, e.g. activities abroad, length of stay and general health of the traveller. It is recommended that you consult with your General Practitioner or Practice Nurse 6-8 weeks in advance of travel.

SECURITY

Crime is very rare in Japan but visitors are advised to take the same care with your personal safety and your possessions as you would do at home. Take copies of your important documents (like your passport and credit cards) and keep them separate from the originals. You should also keep a record of the description and serial number of valuable items (like cameras, tablets and smart phones).

FLIGHTS

International flights included in the tour package are operated by Emirates but we always reserve the right to change carrier for operational reasons.

FLIGHT UPGRADES

Although the comfort and service offered by the airlines we use is excellent, you may wish to upgrade your flight to Business Class or First Class (neither are available for internal flights). Please ask for details as prices do fluctuate.

CHANGES TO YOUR TOUR

It is unlikely that we will have to make changes to your travel arrangements but we do plan many years and months in advance and therefore occasionally we may have to make changes and we reserve the right to do so at any time.

Official Rugby World Cup merchandise will be provided and details will be announced shortly.

CANCELLATION CHARGES

Should you wish to cancel your booking, we will require notification in writing. Cancellation charges will be levied in accordance with the scale set out in our full set of terms and conditions.
