## Payment Terms:

Option A: Full payment upon booking (25% is non-refundable)

Option B: 25% non-refundable deposit upon booking, followed by 25% 1 year prior to the match, 25% 28 weeks prior to the match and 25% balance 16 weeks prior to the match.

## Cancellations:

You may cancel your package at any time prior to the start of your trip subject to the cancellation charges set out below.

Time Before Departure / Cancellation charge as a percentage of total package cost

- Prior to 31 July 2026 / 25% Deposit
- 01 August 2026 – 31 October 2026 / 50%
- 01 November 2026 – 31 January 2027 / 70%
- 01 February 2027 – 28 February 2027 / 90%
- 01 March 2027 Onwards / 100%

The cancellation charges or retention set out will be applied regardless of the reason for cancellation. However, if the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges from your insurer.

At minimum, your non-refundable deposit(s) and cancellation charges will be retained to cover the costs of the sale to you and subsequent re-sale (if possible). These are a genuine pre-estimate of our losses incurred due to your cancellation and it is irrelevant whether we re-sell your package or not. Please note, if special arrangements have been specifically made for you, the cancellation charges will be higher as our losses will also increase due to the bespoke nature of the special arrangements and the likely impossibility of resale. Please note we are not required to resell your cancelled package.

## Insurance:

The link below will bring you to Blue Insurance to allow you to arrange a travel insurance policy.

Our recommendation is the Annual Multi Trip with the Premier Plus cover and the additional cover of Flight Disruption. If you select the Premier cover please ensure that you include Travel Disruption as well as Flight Disruption as additional cover.

We strongly recommend that you are covered from the time of booking as this may assist you in recovering monies paid in the unfortunate event of you having to cancel your trip. *Please note that cover via the link below (Blue Insurance) can only be purchased within one year of your return date.*

## Passport Information

All passengers travelling require a full passport. In the case of people coming to Australia temporarily, the passport must be valid for at least **6 months** beyond the date you intend to travel to and from Australia.

All passengers other than Australian and New Zealand citizens need to present the following documents to officers in immigration clearance:

- a valid passport
- a valid visa to enter Australia (including electronic visas). Residents of the Republic of Ireland, the United Kingdom and Europe need a travel visa to enter Australia and stay for a duration of up to 90 days.
- All ETA-eligible passport holders must apply for an ETA using the Australian ETA app. For more information, see Australian ETA's APP Step by step guide.
- If you are unable to use the app, you can apply online through ImmiAccount for another visa that suits your needs.
- European passport holders may be eligible for an eVisitor (subclass 651).

Anyone who arrives without a valid travel document, visa or authority might be refused entry to Australia or delayed until their identity and claims to enter Australia have been confirmed.
