You may cancel your package at any time prior to the start of your trip subject to the cancellation charges set out below.
Time Before Departure / Cancellation charge as a percentage of total package cost

- Prior to 31 July 2026 / 25% Deposit
- 01 August 2026 – 31 October 2026 / 50%

At minimum, your non-refundable deposit(s) and cancellation charges will be retained to cover the costs of the sale to you and subsequent re-sale (if possible). These are a genuine pre-estimate of our losses incurred due to your cancellation and it is irrelevant whether we re-sell your package or not. Please note, if special arrangements have been specifically made for you, the cancellation charges will be higher as our losses will also increase due to the bespoke nature of the special arrangements and the likely impossibility of resale. Please note we are not required to resell your cancelled package.

Insurance:

The link below will bring you to Blue Insurance to allow you to arrange a travel insurance policy.
Our recommendation is the Annual Multi Trip with the Premier Plus cover and the additional cover of Flight Disruption. If you select the Premier cover please ensure that you include Travel Disruption as well as Flight Disruption as additional cover.
We strongly recommend that you are covered from the time of booking as this may assist you in recovering monies paid in the unfortunate event of you having to cancel your trip. *Please note that cover via the link below (Blue Insurance) can only be purchased within one year of your return date.*
